

# Field Trips, Field Trips, Field Trips

## ALL ABOARD!

### **March 12<sup>th</sup> Annie's Annuals – Propagation Tour**

Annie's will have a propagation tour for us that runs about 35-minutes long. The tour begins at 11:00am. After the tour, you can go shopping with your 10% discount pass provided to us by Annie. This discount is only good for the day of the tour.

This is a free event with a bonus (10% Discount) thrown in for good measure.

For those interested in carpooling, we will gather at Endeavor Hall at 9:45AM and depart at 10:00AM. Please RSVP by signing up at the next General Meeting, or by email to [Programs@ClaytonValleyGardenClub.org](mailto:Programs@ClaytonValleyGardenClub.org).

### **April 9<sup>th</sup> Filoli Mansion & Gardens Tour**

Filoli is a private property of the National Trust for Historic Preservation. This is a 2-hour long docent led tour of the house & gardens, and begins promptly at 11:30AM.

For those interested in carpooling, we will gather at Endeavor Hall at 9:15AM and depart at 9:30AM, allowing additional driving time for the Bay Area morning commute traffic.

The fee for this field trip is \$12 per person, non-refundable.

All fees must be paid by our next Club meeting date of March 10<sup>th</sup>

Filoli does not allow any outside food, but they do have The Café at Filoli which is open until 3:30PM. Tour-goers should make arrangements to have a snack before entering, or purchase something after the tour at the Café.

### **April 24<sup>th</sup> Wildflowers on Mt. Diablo**

Dorothy Bradt will lead a Wildflower expedition right in our own *backyard*. This is about a 2-hour hike on fairly level terrain, running about 3-miles long. Expect to see at least 20 different varieties of wildflowers.

This is another free event, but please be certain to sign up for the hike at either of our next two General Meetings, or you can RSVP directly to Dorothy at (925) 672-2526 in case there are any last minute change of plans.

We will meet at the end of Regency Drive in Clayton at 10:00AM. Be prepared for very muddy conditions if it has been wet, so cross your fingers for a dry week.
